Hot-water upgrades
Across Lower Hutt

PANASONIC · 300L ALL-IN-ONE

Rethink your home's hot water.

A heat pump draws heat from the surrounding air to heat stored water. Hot water for your home — not room heating.

Installed heat-pump upgrade

$6,699 + GST

$7,703.85 incl. GST · NZD

Subject to a site visit and confirmation of installation requirements.

PHE-30ABR
300L storage · R290 refrigerant

Included in your upgrade

- Panasonic 300L all-in-one unit
- Plumbing
- Electrical work
- Old-cylinder removal

Changing from gas?
Add $300 + GST.
Total: $6,999 + GST.
Addition $345 incl. GST;
total $8,048.85 incl. GST.

Find the right fit for your home.

Check your quote online or call to discuss a site visit.
